Come find out!

Is joining a sorority beneficial?

*Well, we will tell you the answer to this one is **YES!**, but...*

Please join us for an informative session on Cal Poly Sororities!

This session is designed specifically with students and parents in mind, as we will not only cover the basics and FAQs on Cal Poly Greek Life, but will also open up the floor to individual questions that inquiring parents and students might have.

Cal Poly Greek Life... The Short Story

With **9** sororities, **17** fraternities and **10** culturally based houses on campus, Cal Poly Greek Life is home to over 2300 students. Supporting organizations locally and on a national level, Cal Poly Greeks contributed over **16,000** hours of community service and raised over **\$132,000** for our philanthropies last year alone. Cal Poly Greek Life has fun with events like themed exchanges, social dinners, Greek Week, where sororities and fraternities pair up and compete in games like beach volleyball and soccer, and so much more! Last year, the sororities were proud to announce the achievement of bringing home **FOUR AWARDS** from the National Association of Fraternal Leadership and Values Conference! We hope to share this experience with all of you, so come hear what Greek Life is all about!

Get involved, meet new friends, have fun and... **BE GREEK!**
